## CONCERNING CORRECT SPEECH.

Oh, why should the spirit  
Of Grammar be proud  
With such a wide margin  
Of language allowed?  
Of course there's a limit—  
"I knowed," and "I've saw,"  
"I seen" and "I done it,"  
Are rather too raw.

But there are others  
No better than they  
One hears in the talking  
He hears every day.

"Where at?" asks one person,  
Quite thoughtless. And "Who."  
Asks another, "Did Mary  
Give that bonnet to?"

Hear a maiden as she twitters:  
"Oh yes, I went out  
With she and her fellow  
In his runabout."

And hear a man saying:  
"Between you and I,  
That block of Pacific  
Would make a good buy."

And this from a mother,  
Too kind to her boy:  
"I had rather you shouldn't  
Do things to annoy."

And this from a student,  
Concerning a show,  
Who says to the maiden:  
"Let's you and I go."

There's lots of good people,  
That's talking like that,  
Who should learn from our critics  
To know where they're at.

—W. J. Lampton

**CAUTION.**—This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Hoeche's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. At all druggists. At Penny's Drug Store.

A Chicago undertaker has inaugurated a new system of duns. Whenever a family for which he has worked fails to pay his bill, he sends a hearse containing a skeleton to the home of the delinquent, and leaves it there until the account is settled.

ACCORDING to the editor of the Rail-

way News, the pay rolls of the railroad

companies of the United States have

been increased during the past 12

months by the sum of \$100,000,000. Of

this amount probably \$50,000,000 is

accounted for by the enlargement of the

working forces which was required

by the natural growth of the busi-

ness of the country; the balance,

however, represents the increase of

pay secured by the conductors and

trainmen through concerted action.

That the working men of the country

are getting a progressively greater

share of the profits which they help

their employers to earn can not be de-

nied in the face of this \$50,000,000

knockdown argument.

THE South is getting there at last.

During July it led the country in the

number of banks organized and in the

increase in capital, with the organiza-

tion of 12 new banks, of which six were

of the smaller class and six of the larg-

er, with combined capital of \$1,337,500.

The great increase in national banks

in the Southern States was notable for

the number of large banks organized

and the amount of their capital.

AFTER a lengthy session in Louis-

ville, interspersed with numerous re-

cess intervals for private conference

purposes, the republican State central

committee succeeded in selecting the

following State campaign committee:

Judge George DuRelle, chairman; Col.

C. C. Mengel and John A. Stratton, of

Louisville; D. J. Edwards, of London,

and Senator T. S. Kirk, of Paintsville.

ON his return from his summer home

in Connecticut, Col. Belknap, republi-

can nominee for governor, said to the

Courier Journal: "I was never in bet-

ter health in my life, and am in fine

trim for the campaign which I will op-

en at Munfordville, Hart county, about

Sept. 1. Our plans for the opening are

not yet complete, but we will probably

make it a rouser."

## POLITICAL.

William B. White of Carter county,

was nominated for Senator by the 35th

district democratic convention.

In an interview in Manila Judge

William H. Taft says the report that

he is to succeed Secretary of War Root

on Mr. Root's retirement is untrue.

The adherents of Tom Johnson, who

were beaten in the Hamilton county,

Ohio, convention by the Zimmerman

forces by one vote, will send a contest-

ing delegation to the State democratic

By order of President Roosevelt Lieu-

the navy, found guilty by a general

court martial of negligence of naviga-

tion and sentenced to dismissal from

the service, will be reprimanded in-

stead.

In the democratic primaries at Clin-

cinnati Mayor Johnson was beaten by

the Zimmerman forces.

Horace Miller, one of the most prom-

inent farmers and democratic politicians

of Bourbon county, was found dead in

bed at his home near Paris.

Cum Shoo Hunter says he is out of

politics, but, as he is somewhat of a

liar himself, anything that he says has

Gov. Beckham appointed Judge Geo.

P. Johnson, of Williamsburg, special

judge, to hold the August term of the

They came together after a run of several hundred yards at 3:30 and the crash was heard all over the city. Flowers, of Louisville, but formerly of this place, assisted Mr. Pettibone in the preparation for the collision.

PAID.—Mr. J. H. McAllister, president of the Lincoln County Board of Internal Improvements, has paid the judgment rendered by the Casey circuit court to J. J. Moore, whose daughter was killed while going through the toll gate near Danville, the particulars of which our readers are well acquainted. The judgment was for \$13,000 and the interest and costs ran the amount up close to \$15,000.

THE following appeared in yesterday's Courier Journal: "The famous salt water at Crab Orchard, located near the railroad station and remembered by all visitors, has been placed on the market. The Salt Sulphur Water Company has put in a complete bottling plant, and is prepared to put this water up in different sized bottles in its natural state and carbonated. The water is bottled fresh and sparkling from the well, and, unlike most sulphur waters, is pleasant to the taste and can be drunk in any quantity without the slightest ill effects, being the mildest of purgatives. The water is bottled by Messrs. J. W. James and A. Addams."

PLEASANT OCCASION.—The party given by Messrs. Joseph McAllister, Jr., and Foster H. McAllister and sister, Miss Arthusa McAllister, at their pretty country home, "Grasmere," Wednesday evening in honor of Misses Gatliff and Rose and Mr. Ed Gatliff, of Williamsburg, was a most delightful one. Fully 100 guests were present and every minute of time from 8:30 until 12 was heartily enjoyed. Misses Sallie Stone Pinkerton, Florence Myers and the pretty hostess, assisted by Messrs. McAllister and J. W. Rott, Jr., entertained and did so in a manner which made all feel that it was good to be there. Delightful refreshments were elegantly served, while in a tent in the yard luscious watermelons were partaken of. Mrs. Hugh Reid presided at the frappe bowl.

HAYS.—While at Crab Orchard a short time ago the writer had the pleasure of meeting Capt. "Cam" Hays, who fought in Col. Napier's regiment under Gen. Morgan. It has never been our good fortune to meet with a man more typical of the "Old South." He is about six feet three inches in height, with broad shoulders and erect, soldierly bearing. Though polite, he is very reserved until engaged in a discussion of the Civil War, when behold he is the same old Rebel of '61, making again the darling raids, which have made the name of "Morgan's men" the synonym of all that is brave and fearless. He was one of the last of the command captured on the great Ohio raid, having succeeded in getting as far as the Pennsylvania line. He is still an unregenerated "Reb," says when the Yankees started the reconstruction process after the war they overlooked him.—Danville News.

John Alexander Dowie, overseer of the Christian Catholic church in Zion, has been admitted to citizenship in the United States by Judge Geary, of the superior court of Cook county, Illinois.

Rev. Dowie was a native of Scotland.

AN EXPLANATION.—In the regular order of the union services it was the time to meet at the Methodist church Sunday night. But as Bro. Huey preached the Sunday evening previous, he and I decided that I should preach at the Disciple's Church last Sunday night. I accordingly announced the services for that church at my morning service. I went to the Church of the Disciples at the hour for the evening service and found the church in darkness and the doors unopened. I found afterward that no announcement had been made of the service except my announcement in the morning. I feel this explanation due the public and myself.

P. J. ROSS.
